

Did you know?

... we celebrated our 25th anniversary on March 19, 2018. Dr. James Rourke provided the keynote address.

... we are one of 12 research support units for patient engagement in research as part of Ontario's Strategy for Patient Oriented Research.

... we hosted our first staff and faculty retreat to develop the CRaNHR 2023 Strategic Plan, launched in February 2018 (cranhr.ca/2023).

Sharing our Findings

CRaNHR staff and investigators attended several **conferences** this year, notably:

Health Quality Transformation—North 2017 in Sudbury, ON

Canadian Association for Health Services and Policy Research (CAHSR) 2018 in Montreal, QC

International Association of Gerontology & Geriatrics World Congress 2017 in San Francisco, CA

Research in FOCUS on Research issues are published regularly to summarize studies conducted by CRaNHR researchers to make research accessible to a wider audience.

2018-A1: The Economic Impact of the Northern Ontario School of Medicine on Northern Ontario in 2017 (www.cranhr.ca/FOCUS).
